The Quality Learning Center is refusing to talk to journalists, claiming their lawyers "told them not to."

They're also kicking reporters off the property.

Robert De Niro says he has "no choice" but to leave New York City now that Mamdani is officially the mayor.

"He wants to take half of my savings because I'm 'wealthy.' I haven't worked in some time. My savings is all I have."

De Niro was an avid supporter of the communist during his campaign.

Looks like he's reached the "find out" portion of his choices.

**JUST PASSED MY DRIVING TEST!**

**My examiner, Paul, said the man I  
hit when I went through the red  
light should really have been more  
careful crossing the road!**
