

- **He told us to protect our borders**

- **He told us to bring manufacturing back home**

- **He told us to be less dependent on other countries**

- **He warned us about China**

- **Democrats fought him every step of the way!**

**Perhaps they should look
at forgiving medical debt
for cancer patients instead
of student loans.
Education is a choice,
cancer is not.**

**Instead of
electric cars, I
think we
should bring
back the
electric chair. It
would solve
more
problems.**

**We need to quit
looking for
intelligent life
on Mars and
look to see if
there is any
intelligent life
in Washington
D.C.**

**You can change your clothes
and powder your nose, but in
the end your Maker knows.
A man can't be a woman, and
a woman can't be a man,
pretend all you want, but
'you am' what 'you am.'**

**A quick fix for most of
America's problems...**

OPEN THE PIPELINES

CLOSE THE BORDER

**If you're OK with
letting Joe tell you how
to raise your children,
you might first want to
consider how Hunter
turned out.**

**We live in a time where
intelligent people are
being silenced so that
stupid people won't
be offended.**

We really picked a bad generation to start a WW III... they can't even fight anxiety from being called by a wrong pronoun.
