

When squirrels come across an especially spectacular nut, they'll often gather and stare in amazement... very similar to how they're looking at you right now.

Once I went to a party with my husband, full of people he knew (from work) but I didn't. A guy came up to us, turned to me and said "You must be his wife." I turned to my husband and said "You have a WIFE?" Should've seen the guy's face!

Me: Like what?

My Kid: Like if I don't clean my room a portal will open and take me to another dimension.

Me: Well that's what happened to your older brother.

My Kid: What older brother?

Me: Exactly.

Shortly after a British Airways flight had reached its cruising altitude, the captain announced:

"Ladies and Gentlemen, this is your captain. Welcome to Flight 293, non-stop from London Heathrow to New York. The weather ahead is good, so we should have an uneventful flight. So, sit back, relax, and... OH...MY GOD!"

Silence followed..... complete silence!.....

Some moments later, the captain came back on the intercom.

"Ladies and Gentlemen, I'm sorry if I scared you. While I was talking to you, a flight attendant accidentally spilled coffee in my lap. You should see the front of my pants!"

From the back of the plane, an Irish passenger yelled "For the luvva Jaysus, you should see the back of mine!"
