**“There’s absolutely NOTHING on
my mind... and anyway I don’t
want to talk about it.”**

you can tell alot about a
woman
by her
hands.

For instance,
if they're
placed around
your throat
she's probably
slightly upset.

“Just how far of a walk did you want to go on?”

Whoever put
the S in fastfood
is a marketing
genius.

**THIS IS A RARE PHOTO OF A
REMOTE CONTROL FROM THE
1970'S.**

"It's the phase where she's ashamed to be seen with us. It should only last about 10 more years."
