**A POLITICAL IDEOLOGY SO
FRAGILE, IT GETS DESTROYED BY
FUNNY IMAGES WITH SOME TEXT**

Why do Haitians risk sailing 900km in shark-infested waters toward the evils of Capitalism when they have a socialist paradise just 90km away?

“If Socialists
understood
economics,
they wouldn’t
be Socialists.”

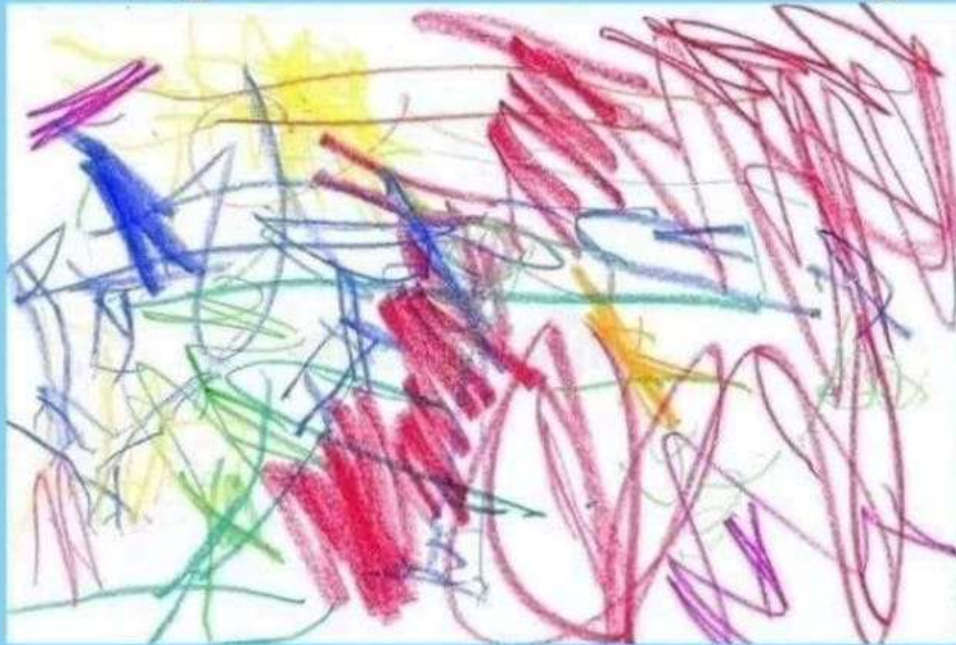

— FRIEDRICH VON HAYEK

**I'm so old, I remember when
'climate change was simply called
Spring, Summer, Autumn and
Winter"**

**Being male is a matter of birth.
Being a man is a matter of age.
But being a gentleman is a
matter of choice.**

As someone who has been married for almost 47 years, I can give, some practical advice on creating a happy marriage.

- Be kind.
- Be courteous
- Open the door.
- Carry the heavy loads, including the groceries.
- Do your share of the dishes.
- Be patient.
- Listen.
