

So when these Electric Car's batteries overheat and burst into flames, is it still considered a zero emissions car?  
Asking for a friend.

**Last year I joined a support group for antisocial people. We haven't met yet.**

A photograph of a weathered wooden log with a white rectangular sign attached to it. The sign has green, typewriter-style text that reads: "I'M NOT MUCH ON SEIZING THE DAY. I JUST KINDA POKE IT WITH A STICK." The background shows the texture of the wood and some moss.

I'M NOT  
MUCH ON  
SEIZING  
THE DAY. I  
JUST KINDA  
POKE IT  
WITH A STICK.

A solid yellow background with faint, overlapping geometric patterns of circles and lines. The text is centered and written in a bold, black, sans-serif font.

**If paying a cashier a  
living wage will make  
prices go up.  
Why doesn't replacing  
cashiers with Self  
Checkouts make prices  
go down?**

**Why must I prove  
that I am me to pay my  
bills over the phone?  
Do strangers call to  
pay my Bills? And if  
they do, why don't  
you let them?**

GRUNGE

***The first bottle of Coca-Cola from 1894 contained around 3.5 grams of cocaine.***

**Explains why our parents & grandparents could walk to & from school, uphill, both ways, in the snow, barefoot. 🤔🤔🤔**

**Ever notice there  
are no lines for the  
bathrooms at  
Waterparks?**

I think one of those Charmin toilet paper bears was walking around my neighborhood this morning.

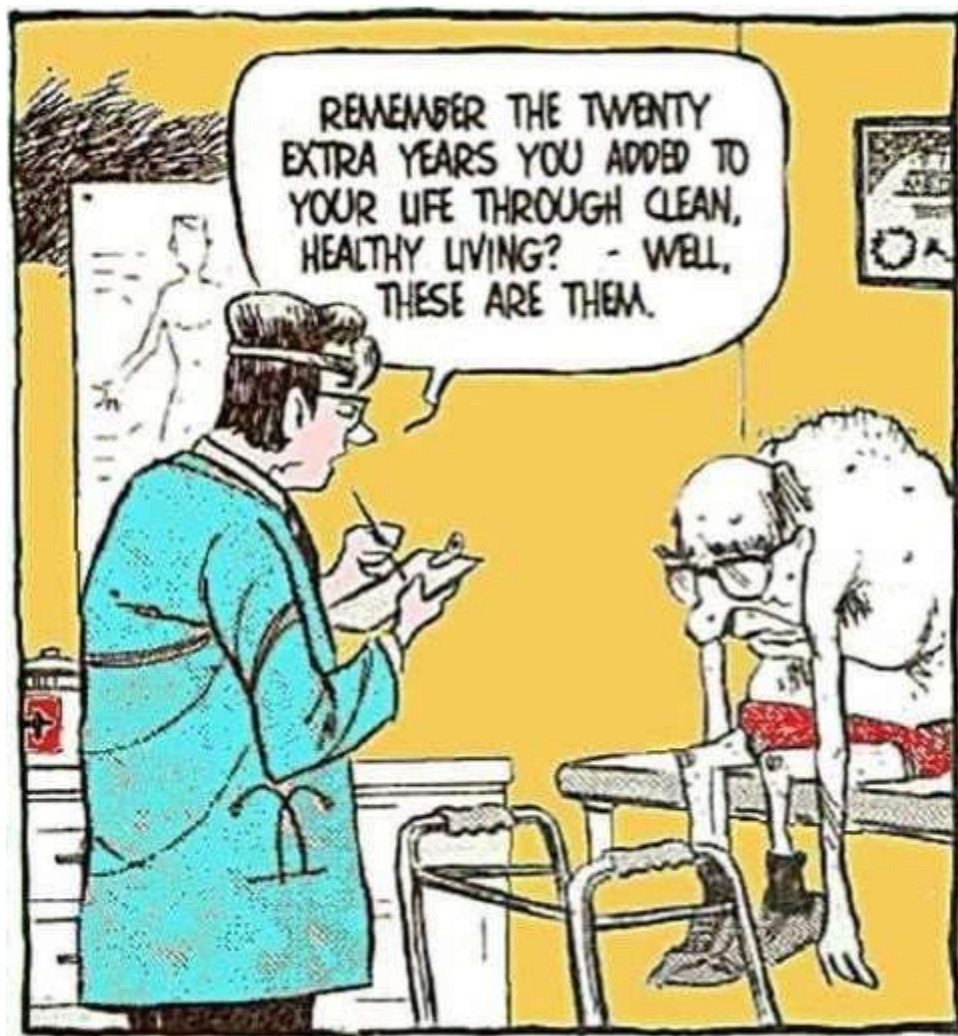

**SOME PEOPLE DRINK  
DEEPLY FROM THE  
WELL OF KNOWLEDGE,**

**SOME JUST RINSE  
AND SPIT.**

**The city should hire  
the guy that salts the  
fries at McDonald's to  
do the roads.**

**Managing your weight  
around Christmas time just  
requires a little planning...**

**For example, I took the  
batteries out of my scale  
this morning.**

**Note to Self:**

**Do not sit on the floor  
without a plan on how to  
get back up.**
