Oh, nothing. Just babysitting...

MAYBE NEXT TIME YOU'LL TRY A LITTLE SUNSCREEN...

When you're over 40 and they say just put a BandAid where it hurts...

I trained my dog to fetch beer. It may not sound too impressive but he gets them from the neighbor's fridge.

Exercising can add years to your life. For example I jogged 4 miles today and now I feel like I'm 73.

A pirate walked into a bar and the bartender said : 'Hey, I haven't seen you in a while. What happened? You look terrible.'
'What do you mean?' said the pirate, 'I feel fine.'
Bartender: 'What about the wooden leg? You didn't have that before.'
Pirate: 'Well, we were in a battle and I got hit with a cannon ball, but I'm fine now.'
Bartender: 'Well, ok, but what about that hook? What happened to your hand?'
Pirate: 'We were in another battle. I boarded a ship and got into a sword fight. My hand was cut off. I got fitted with a hook. I'm fine, really...'
Bartender: 'What about that eye patch?'
Pirate: 'Oh, one day we were at sea and a flock of birds flew over. I looked up and one of them shit in my eye.'
Bartender: 'You're kidding, you lost an eye just from bird shit?'
Pirate: 'It was my first day with the hook.'

"You're fired, Jack. The lab results just came back, and you tested positive for Coke."

Sometimes the thoughts in my head get bored and stroll out through my mouth. This is never a good thing.
